*Wings For Your Business*

***Introducing  
EasyCommerce 1.0***

*A real time web front-end for our e-commerce customers  
to facilitate communication between sellers and buyers.*

# EasyCommerce 1.0

***EasyCommerce is a new online platform that combines the data from both sending and delivering postal operators.***

***We provide real time visibility of warehouse stock, pick & pack, delivery status, returns, track & trace and undeliverable items.***

***This makes us a unique fifth party logistic service provider that offers a comprehensive online controlling tool for the complete supply chain.***

## ***EasyCommerce features the following:***

- ***Real time stock information***
- ***Real time track and trace***
- ***History of shipments***
- ***Freedom in selecting distribution channel***

# EasyCommerce 1.0

The screenshot shows a web browser window with the address bar displaying 'www.easyccommerce.plus/'. The browser's address bar also shows 'EasyCommerce from Swiss Mail Solutions'. The page features a yellow header with the SMS logo and the text 'EasyCommerce swiss mail solutions'. Below the header, there is a search bar with the text 'Free service: check delivery status' and a 'go!' button. The main content area has a background of various icons related to shipping and logistics. A central white box contains the text 'We deliver success. Austria - Switzerland - Serbia - Hong Kong' and a login form with fields for 'E-mail address' (containing 'deigh@kunt.at') and 'Password', a 'Sign In' button, and a link for 'Forgot password? Click here.'.

# EasyCommerce 1.0

The screenshot displays the EasyCommerce 1.0 web application interface. The browser address bar shows the URL [www.easycommerce.plus/](http://www.easycommerce.plus/). The page header includes navigation links for [Hotline](#), [Callback Service](#), and [Messages](#). The current time is GMT+03:00 and the user is logged in as Martin Kundt. The main header features the SMS EasyCommerce logo and a 'Sign out' link. Below the header, there are navigation tabs for [Orders](#), [Warehouse](#), and [Settings](#), along with a 'Project One' dropdown menu.

The main content area is titled 'Order List' and includes options to [Create Order](#) and [Upload Orders](#). A search bar is present with the text 'Search order:' and a 'go!' button. The table below shows a list of orders with the following columns: Order ID, Order Reference, Order Date, Name, Status, and Actions.

Order ID	Order Reference	Order Date	Name	Status	Actions
ES_000001387	000001387	24-05-2016	Ruben Batista	completed	
ES_000005475	000005475	24-05-2016	Manuel Ortega	completed	
FR_000005475	000003873	24-05-2016	Jacques Cousteau	completed
